I bought my first block in 1999 from a TV, and cooked everything in a cookbook, and used it at least twice a week. Wore that one of the bought the other around 2006, think I wore that one, and this is my third block of 2016. Chickens, steaks, chops, roast pork, bison - beef burgers ooh so good. Vegetables you call it was cooked in my Showtime 5000. Don't get me wrong I've always had a great kitchen with the top of the line all, but I rely on and always went on Showtime, especially when I buy the best pieces of meat. I could go on and on, but enough of my experience. Buy one and you'll love it. Walmart had the best price on the 5000 series and delivered to me in 3 days! Helpful? Did a fair amount of research in the grill oven and it seemed to fit the bill and it does. It has a large container for chickens and the sear function allows the steak to be grilled back with a slight symbol on the outside. When I use my NG oven to broil the smoke detector always activates but not with this stove, very little smoke. It also cleans super easily. I've only used it twice (5.75lb chicken and 1.25 Strip Steak) but have had excellent results. Thanks Ronco! Helpful? Nice Rotisserie And easy to use and clean! would recommend to anyone (top rate) Useful? It's a great product. Easy to cook, and easy to clean. I highly recommend this to everyone. Helpful? August 4, 2009! love this product. I used my old so much I wore it, so I bought a new one. Well prepared, the food juicy and delicious. If you buy this item give this a try. Fry the chicken and use bird seasoning, paprika and salt and pepper. I know you're not going back to plain baked chicken. It's cheaper than ordering it from Ronco and you get important things. If you really want an fragrance injector (I've never used it) then you can order it from Ronco. My parents have the George Forman brand, but he's not as sluggish as this one. Buy it, I know you'll love it! Helpful? July 21, 2009! It's great product only negative is that I didn't get the Steamer Tray in shipment. I notified the manufacturer and assume they will fix the shipping error Heppful? March 2, 2017 just bought another Ronco rotisserie, the second we owned, they work wonderfully, the meat is juicy, perfectly browned, a healthy way to eat, you don't Owing one of these combines, just install it and forget it. Useful? We got this for our son's daughter-in-law for a Christmas gift. April 16, 2016! It's too big for a family of three. If ordered ordered Size. Can't really appreciate used only once (but worked well) Useful? Used on 3 different iteams none of them are fully cooked on the inside we had to recook. All items at least 3 times and they are found to be burned inside very dry inside not suitable to eat, do not spend your money on this grill.
