Arifureta light novel volume 10 pdf

Pleaseee tells me this is not the end of the Arifureta series! Page 2 11 comments Mother and Daughter's ReunionHic, sob, huck. A soothing sound of a young girl who sounded near the pier who turned into the wreckage. The viewers and soldiers crowd there, but there wasn't even a cry, and the place was strangely quiet. It was because of the kidnapped girl of Sea-inhabited trunk who flew out of the air, the human boy who jumped into the air and caught her, and there was the black dragon with a girl driving on his back in the air. The biggest reason, however, was how the boy largely shrank the girl from sea-dwellers. Well, actually it was how the young girl called the boy who screamed her. Sob, Papa, sorry... Promise me you won't do anything that's dangerous again, okay? Un, Myuu will. Okay, that's fine. Come here. Papaa ~! The figures from Hajime, who were on one knee when he scrapped the young child, and myuu, who obeyed when she scraped through him even though she cried and jumped into Hajime's chest when she was forgiven... was as normal as that of a father and his child. It was also shown by how Myuu repeatedly called him Papa. The situation where the child of Sea-residence

tribe adoring a human boy enough to treat him as her father, and how Hajime treated Myuu as his own daughter all dumbfounded, not understanding what happened. Their minds asked the same thing. What was, how did it come to this? Hajime lifted Myuu with his arm and patented her back to calm her down, and eventually the surrounding people returned to their senses and began causing a huge riot. As he patrolled at the screaming, confused people, Hajime patrolled Myuu's back and someone embraced him from behind, when he looked over his shoulder, there was Kaori's figure whose head was on his shoulder and trembled slightly. I'm glad... I'm really happy ~, hicc, hip. This time, Kaori began to cry. Even though she acted firmly, inside, she was worried that Hajime might be dead. She believed in Hajime's survival, but there was no way she didn't feel worried about him. It added how he went missing for the second time shortly after finally meeting again and it was impossible for her to worry about you. But as you can see, I'm full of life here. That's why, please don't cry... as Kaori cries... I'll be upset. Uh, hic, th-then, let me stay that way for a little more... Worried, Hajime patrolled Kaori's head whose hands were wrapped around his arm. Perhaps because she couldn't stop crying, Kaori buried her face increasingly in Hajime's shoulder. Both her hands were now tightly embraced around Hajime's stomach from behind. Oh, you, explain what's yo-gah!? Muh? Sorry. The above was the commander-like person who dripped wet because of hajime's leap. He didn't read the mood and tried to However, he was beaten by Tio her Dragon form when she landed, which ran to Hajime in short steps, so the man once again fell into the sea. Not caring the man who was very, Tio went beside Hajime, got his head and squeeze it into her cleavage. What then—!? Oi, Tio. This one believes, you know? This one believes... Likewise, Master... too much time had passed until this reunion. When Hajime quietly looked at Tio's face of her clothes, her expression was one of her important one inside her arms with tears accumulated on the sides of her eyes. This time Hajime felt it couldn't be helped and let her do as she pleased because he relied on her to do something unreactable. As it happened, Myuu said, Myuu will embrace Papa, and she cling to Hajime's nose. Shia, who was next to Yue, who was next to Hajime, began to embrace his free arm. The surrounding look couldn't even see hajime since his whole body was covered by a beautiful little girl, beautiful girls and a beautiful woman. The surrounding look gradually changed from one of confusion to one of those looking hot at them. Even the stirn vigilant corps and soldiers lowered their arms, stirn. Your people... not only once, but twice... I'll arrest you for hindering the Kingdom's soldiers' work. Once again crawled on the pier, the commander-like person was furious at Hajime's party. With weapon in hand, he seemed ready to attack at any moment. Since the beginning of the beginning he wanted to explain that he was entrusted by the head of Fhu ren's debt branch, Ilwa, to escort Myuu. Yet he was worried he had nothing to prove it, but now it was at hand. With Treasure Box returned by Tio, Hajime took out his status plate and the request form of Ilwa, after which he presented them to the commander. ... Let me see... A gold rank!? Moreover, a direct request from the head of Fhuren's branch!? Besides the request form, there was also the letter from Ilwa where the details were written. It was delivered to the Elisen's mayor and the top brass of the soldiers who lived in this town, the man in front of the party. After reading the letter staggeringly, the commander spat a huge sigh and after he hesitated a little, he gave up on when he greeted his shoulder. ... The request is complete. Nagumo-dono. It is good that all doubts have been cleared. You have to have things you want to ask, but we're in a hurry. So I want you to ask nothing, because... I want to allow this child to meet her mother now. It's okay, right? Of course it is. But as a soldier of this Kingdom... I can't look over the dragon, you jump and the ship-like thing of Radically changing from the previously oppressive manner, the commander's attitude became one that Hajime paid Respect. Yet he appealed to his strong look at Hajime that it was impossible to overlook it. About it, can we just talk about it in a different time? After all, I'm going to stay in this Elisen. I also think there is no need to report on it to the kingdom, because they probably already know about it... Mm, I see. Anyway, it's good as long as we can have a chance to talk. Now please send that child back to her mother... does she know about her mother's condition? No, she doesn't. But it's okay. After all, we have the best medicine and healer here. I see. Then let me question you when things are settled. The commander eventually introduced himself as Saluz, after which he was going to control the crowd by spreading the viewers. A conscioius person. The people who knew Myuu wanted to cry out to her, but Hajime used his gad to stop them because a lot of time would pass before returning to her mother if they did, Papa, Papa. We return home. Mommy is waiting! Myuu wants to meet Mommy. Of course... so let's get soon and meet her. Pull Hajime's hand, Myuu encouraged with Hasty, hastily! It was about two months since the last time she returned to her home and mother. So it couldn't be helped. Although she usually laughed as she was cared for by Hajime's party at night, when the time to sleep, she wanted to be spoiled because she indeed missed her mother. On his way to Myuu's house, with Myuu as their guide, Kaori came close to him and asked him with a small, awkward voice. Hajime-kun. About what the soldier said from before... Well, it doesn't seem to be life-threatening. It is only that her wound is rather serious and it is also the physiological one... Well, there is no need to worry about the latter with Myuu being here. So please look at her injuries. Un. Leave it to me. As they had that kind of conversation, they heard a riot of the way forward. It was the voice of a young woman and several voices of men and women. Lemia, calm down! It is impossible with the state of your legs! That's right, Lemia cannon. Myu cannon will surely come back! I don't want to! Didn't you say Myuu came back!? Then I have to go see her! I have to welcome her! Apparently the woman tried to get out of the house, and she was stopped by several men and women. It was probably because a acquaintance told Myuu's mother about her return. With the sounding voice of the woman named Lemia, Myuu's face blossomed and stoan. Then, as hard as she could, she cried out to the woman in her mid-twenties, who collapsed at the entrance door as she ran. Mommy --!?! Myuu!? Myuu! Running with all her power and with an expression full of smile, Myuu jumped into the bosom of the woman — her mother, Lemia, who tried to steady her legs in front of the front door. Seeing the figures of a mother carefully and embracing her daughter tightly expressed that she would not be separated again from her child who made the surrounding people. not. warm with them. For so many, many times Lemia has said repeatedly, I'm sorry, to Myuu. It was either because she had lost sight of Myuu or her inability to come and search for her or may have lost both. Tears fell when Lemia both felt relieved of her daughter's safety and also the sadness of not being able to protect heard. Looking at Lemia with anxious eyes, Myuu patrolled her mother's head lightly. It's ok. Mommy, Myuu is here. So there's nothing to worry about. Myuu... Never did she think she would be comforted by her four-year-old daughter, so Lemia's tearful eyes opened consciously wide and she watched Myuu.Myuu look straight at Lemia and there is indeed worried about Lemiah born in her eyes. Myuu was a mommy's girl and couldn't stand alone before she was kidnapped, and although she also had painful times herself, she was more broken by her mother than herself in this reunion. Surprised by it, Lemia was unconsciously watching Myuu in seed who smiled Myuu, and this time she was the one who tightly embraced Lemia. Lemia was not so badly injured both in body and mind, but she suffered from the sleepless night, tar worry about Myuu, but it looked as if her daughter had returned all growing up more than before. This fact, Lemia accidentally raised a troubled smile. With her shoulders relaxed and her tears stopped, Lemia looked at her daughter with eyes full of love. Myuu and Lemia once again embraced each other, but suddenly Myuu raised a screaming voice. Mom! Your legs! What happened?!? Are you injured!? Is it hurt!? Apparently Myuu noticed the state of Lemia's legs of more than Lemia's shoulder. Both her feet peeking out of Lemia's long skirt were all over, they were in a miserable state. That was the thing Saluz was talking about, and that was what Hajime's party heard from the young man on his way to Elisen. The thing that upset the Sea Dwellers' tam was not only Myuu kidnapped, but also how her mother was seriously injured that it became impossible for her to walk. Although Myuu said she was abducted when she was separated from Lemia, the Sea occupants tribe could not say it was a kidnapping unless there was an eyewitness. They were able to declare this way because it seemed Lemia had actually encountered the kidnappers. Lemia discovered suspicious men who wiped out their footprints in the sand near the coast as she searched for Myuu when she was divorced from her. Although she felt a bad pretend, she approached the men to ask if they knew her daughter... the men's faces expressed O shit and began to sing suddenly. Convinced the men had a part on Myuu's disappearance, Lemia tried to get Myuu back and run along the footprints. However, one of the men fought back by firing down flame bullets. Fortunately, she avoided being hit on her torso, but her legs were hit instead, then she was blown by the impact in the sea. Lemia loses her of both the pain pain Impact. When she woke up, she was helped by the people of vigilante corps who went to her because she didn't return. Her life was saved, but when the time was over, Lemia still couldn't feel her legs, so she couldn't walk or swim. Of course, Lemia tried looking for her daughter, but she couldn't because of her legs. In the end, she couldn't do anything but leave it to the vigil corps and the Kingdom.Lemia was in a state where she couldn't even stand properly now. Lemia smiled not to worry her daughter more than that, so she tried to tell Myuu, It's okay. But faster than she is, Myuu asked for help from her Papa that she relies on most in this world. Papa! Please help Mommy! Mommy's legs were injured! Eh!? M-Myuu? Just now... Papa! Hurry! Ara? Arara? Did you say Papa? Myuu, who is this Papa? Confused, many ? above Lemia's head. The surrounding people also screamed. Many absurd remarks flew from here and there like: Lemia... married again? No... NO WAY. Finally, Lemia channels' spring arrived again! Congratulations! That's lie, right? Someone, please tell me it's a lie... My Lemia-san... Papa... Myuu said Papa!? Isn't that me!? I'm sure it's someone with a stage name like Ku***ngpapa, yup, that should be it. Oi, time for an emergency conference! All members of Watching Lemia-san and Myuu-chan hot collect now! Storm is coming! Apparently, Lemia and Myuu, this mother and daughter were popular here. Lemia was still young, in the midst of her twenties. Although she has now been emacreated considerably, she had a well-sculpable look similar to Myuu's. It was easy to imagine how attention grabbed her beauty would be when she recovered, so it was understandable for her to be popular. With the riot that kept growing, Hajime's expression expressed, I don't want to go there now. Although he thought these people would understand as soon as he explained the details of how Myuu came to call Hajime papa, he was just a substitute (although they didn't think so) of her Papa, and he was not aimed at marrying Lemia, but the current misunderstanding grew at an uncontrollable pace. Yet Hajime thought it was a godsend. After all, Hajime and his party would not have been able to continue their journey unless they left Myuu to her mother. It will be a goodbye once his party conquered «Meljeene Bottom Sea Ruin». Hajime thought Myuu had come close to Hajime's party because she was in a place away from her hometown and was separated from mother, once she returned to her mother her desire to be through Hajime's party's side, she would surely weaken as time was over, even though she initially would be sad. The surrounding people were strongly worried about Lemia and her daughter so they would surely have helped them. Papa! Sorry! Please help Mommy! Myuu's gay looked firmly at where Hajime was, Lemiah and the surrounding people noticed Hajime when they traced Myuu's gaze. did. gave up and walked to where the mother and daughter were. Papa, Mommy is... It's okay Myuu... I will surely heal her. Please don't make such a tearful appearance. Well... Hajime rusted Myuu's hair that looked at him with tears with tears expression, then he moved his gaze to Lemiah. Lemia watched Hajime, dumbfounded. While she thought it couldn't be helped for her to do so, Hajime decided to import her into the house to heal her because his appearance made the riot grow. I'm sorry, but excuse me for a moment, okay? Eh? —!?! Arara? Hajime lifted Lemia in princesses as he looked like he didn't feel her weight at all. Then he carried Lemiah into the house, led by Myuu. With Hajime wearing Lemiah, screaming and roaring was raised behind them, which he ignored. Lemia herself could only blink from suddenly lifted and worn by Hajime.Had entered the house, he had a sofa in the lounge, so Hajime slowly lowered Lemia there. Then, as he looked at the clipping Lemiah sitting in front of him on the bench, Hajime cried out to Kaori. Kaori, how is she? Let me look at her... Lemia-san, I'll touch your foot. Please say if it hurts. Y-Yes? what is with this situation? When she thought her kidnapped daughter had suddenly returned, a man who worshiped her daughter and called Papa appeared. Moreover, unknown beautiful girls and a beautiful woman gather in her home. Such a situation made Lemia frown and worry eyebrows. As this happened, Kaori's investigation ended and she told Lemia that her damaged bones' nerves would be recovered with her healing magic. However, it will take some time. The damaged nerves were in delicate places, so I would need to occur approximately three days for there were no side effects. I also think it will be better for them to heal little by little. Although it will be inconvenient, please hang on until then, for I will surely heal you. Ara ara, maa maa. I thought I wouldn't be able to walk anymore... how can I refund you... Fufu, don't worry about it. After all, you are Myuu-chan's mother. um, come to think of it, which is everyone's relationship to Myuu... Moreover, um... why did Myuu call that person Papa... As Kaori immediately began treating Lemia's legs, Hajime's party decided to explain Lemia the details about things. About how they met Myuu in Fhuren, the uproar, and how Hajime came to be called Papa. After hearing everything while being treated by Kaori, Lemia bowed her head in place and repeatedly resigned in tears. Really, how can you refund for this... This is due to you that I was able to reunite with my daughter. I will surely refund this goodness from you, even with my life. As long as it's something I can do, whatever it is... Although Hajime's party for her not to care, Lemiah could not consent not to repay the betting leaders of her daughter's life. Meanwhile, the treatment of Kaori ended for today. When they told Lemah they were looking for A memo, Lemiah thought it was a godsend and asked them to use only her house. Please let me do it a lot. Fortunately, this house is great, so there is room for everyone. Please don't hold back and use this house while staying in Elisen. Besides, Myuu will be happy with this. Ok, Myuu? You're glad that Hajime-san and the others stay in our house, right? Papa goes somewhere? When she heard Lemiah's words, Myuu, who rested her head on Lemiah's lap, awoke and clipped, she was dumbfounded. Apparently she seemed to think it was a natural thing for Hajime to stay in her home. Her expression said she didn't understand why Lemia asked her that question. I thought about sitting a little distance after she returned to her own mother... Ara ara, ufufu. It's not good for Papa to take a distance from her daughter, you know? No, didn't I explain it before? We are... I know you'll continue your journey sooner or later. That's why please keep her Papa until that day comes. If you knew a distance, then it would be a sudden goodbye ... Right? ... Well, if you say so... Ufufu, it's also good for you to always be her Papa, you know? After all, I have with my life before... Say so, Ufufu &#amp;#9825, Lemia laughs with one hand on her slightly blushing. Such a calming and beautiful smile would normally calm someone... but a blizzard generated around Hajime. Please don't joke that way... the atmosphere has now become cold... Ara ara, how popular. However, it's almost five years since I lost my husband... Myuu also wants a Papa, right? Fue? Is Papa Papa not? Ufufu, she said it, so Papa? The blizzard has become much more intense. Although he didn't know if Lemia actually saw the cold atmosphere, her calm aura didn't take her words as a joke or a serious one. It's a good courage, you!, was what Yue and the girls' gaze said, which was easily repelled by Lemia with a smile with, Ara ara, ufufu. She can be an unexpectedly big person. In the end, the party decided to stay in Lemia's house. When the time to assign the rooms, Lemiah said, Should not the husband and wife be together? responding with silent answer from Yue and the girls. Then, Myuu said, Myuu would sleep with Papa and Mommy, which turns the place into a chaos, but at least it has calmed down for now. The party would conquer the next Great Dungeon from tomorrow so they needed to crew the broken and lost matches while also needed for them to train at the newly exalted Age of God magic. However, while he thought he couldn't neglect his pair remaining time with Myuu, Hajime fared off the bed.** Three days after that. How strangely short distance between Lemia and Hajime showed the bloodshot glamour from men of Sea-dweller tribe Hajime. The neighbourhood aunts also waited over Hajime and In addition, Yue and the girls' approach became even more intense when they Yue at night also became more beautiful. Even so, Hajime completed the party's preparation and about to start looking for «Meljeene Bottom Sea Ruin». When the time comes for them to share, Myuuu carried a truly lonely expression. She pulled Hajime's back hair largely, but he somehow shuck her off the pier and boarded the fixed submarine. As she waved her hands, Myuu shouted firmly, Papa, had a safe journey! Afterwards, with an atmosphere that could not be taken as a joke or a serious one, Lemia waved her hand and said, made a safe journey, D-A-R-L-I-N-G&#amp;#9825. From the side they could be seen as a woman and daughter who sent the man to work. Sharp gloss comes from Yue and the girls behind him and the surrounding Sea-inhabitant tribe. It made Hajime slightly reluctant to return here after conquering the next churcher.
